

UPDATES

MacDowell Preparatory Academy participates in the School Breakfast Program that makes breakfast available to all students free of charge. Scholars can participate in breakfast Monday-Friday from 8:00-8:25 AM. To set scholars up for success - particularly those that are testing, please arrive during that window if for breakfast. Be sure to fill out the free and reduced price meal applications in your scholar's enrollment packet for the 2017-2018 school year. Filling out the application will help to ensure that all of our scholars can start their day strong with a healthy breakfast.
