INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
MacDowell Preparatory Academy
Detroit, Michigan

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities and the major fund of MacDowell Preparatory Academy (the Academy) as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Academy's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the major fund of the Academy, as of June 30, 2024, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Academy, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Academy's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Independent Auditor's Report (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Academy's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

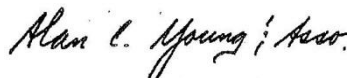

**Independent Auditor's Report
(Continued)**

Required Supplemental Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information as listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated October 30, 2024 on our consideration of the Academy's internal control over financial reporting and on our tests of its compliance with certain provisions of law, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Academy's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Academy's internal control over financial reporting and compliance.

MACDOWELL PREPARATORY ACADEMY

Management's Discussion and Analysis (MD&A) June 30, 2024

As management of MacDowell Preparatory Academy (the "Academy"), we offer readers of the Academy's basic financial statements this narrative overview and analysis of the financial activities of the Academy for the years ended June 30, 2024 and 2023.

Management's discussion and analysis is included at the beginning of the Academy's basic financial statements to provide, in layman's terms, the current position of the Academy's financial condition. This summary should not be taken as a replacement for the audit, which consists of the basic financial statements and other supplementary information.

FINANCIAL HIGHLIGHTS

Our basic financial statements provide these insights into the results of this year's operations.

- As of June 30, 2024, the Academy's fund balance for the governmental funds was \$3,250,878 as compared to \$2,905,266 at June 30, 2023.
- As of June 30, 2024, the Academy had a net position of \$4,027,711 as compared to \$3,169,923 at June 30, 2023.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the Academy's basic financial statements. The Academy's basic financial statements are comprised of three components: 1) academy-wide basic financial statements, 2) fund basic financial statements, and 3) notes to the basic financial statements.

Academy-Wide Financial Statements

The academy-wide financial statements are designed to provide readers with a broad overview of the Academy's finances, in a manner similar to a private sector business.

The statement of net position presents information on all of the Academy's assets, liabilities, and deferred inflows/outflows of resources, with the difference between these items reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Academy is improving or deteriorating.

The statement of activities presents information showing how the Academy's net position changed during the year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g. uncollected revenues and services rendered but unpaid).

The academy-wide financial statements include all governmental activities that are principally supported by grants and entitlements from the state for full-time equivalent funding. The Academy does not have any business-type activities. The governmental activities of the Academy primarily include instruction and instructional support services.

The academy-wide basic financial statements can be found on pages 1 and 2 of this report.

MACDOWELL PREPARATORY ACADEMY

Management's Discussion and Analysis (MD&A) (Continued)

June 30, 2024

OVERVIEW OF THE FINANCIAL STATEMENTS (Continued)

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Academy, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the academy-wide financial statements. However, unlike the academy-wide basic financial statements, governmental fund basic financial statements focus on near-term inflows and outflows of spendable resources, as well as balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating the Academy's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the academy-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the academy-wide financial statements. By doing so, readers may better understand the long-term impact of the Academy's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and change in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

All of the Academy's services are reported in governmental funds. Information is presented in the governmental fund balance sheet and the governmental fund statement of revenues, expenditures and change in fund balance. The general fund is the Academy's primary fund.

The Academy adopts an annual budget for its governmental funds. Budgets are revised in an attempt to deal with unexpected changes in revenue and expenditure. State law requires that the budget be amended to ensure that expenditures do not exceed appropriation. A schedule showing the Academy's original and final budget amounts compared with actual revenues and expenditures is provided as required supplemental information of these financial statements.

The governmental fund financial statements can be found on pages 3 and 5 of this report.

Notes to Basic Financial Statements

The notes provide additional information that is essential for a full understanding of the data provided in the academy-wide and fund financial statements. The notes to the basic financial statements can be found on pages 7 through 14 of this report.

MACDOWELL PREPARATORY ACADEMY

Management's Discussion and Analysis (MD&A) (Continued) June 30, 2024

ACADEMY-WIDE FINANCIAL ANALYSIS

The Academy's net position was \$4,027,711 at June 30, 2024. This amount represents net investment in capital assets of \$776,833, and unrestricted net position of \$3,250,878. The Academy's net position was \$3,169,923 at June 30, 2023 and of this amount \$264,657 represented net investment in capital assets, \$2,905,266 represented unrestricted net position.

Our analysis in the table below focuses on the net position of the Academy's governmental activities:

	<u>June 30, 2024</u>	<u>June 30, 2023</u>
Assets		
Current Assets	\$ 3,819,897	\$ 3,745,126
Capital Assets, Net of Depreciation	1,644,695	1,174,284
Total Assets	<u>5,464,592</u>	<u>4,919,410</u>
Liabilities		
Current Liabilities	569,019	839,860
Long-term Liabilities	867,862	909,627
Total Liabilities	<u>1,436,881</u>	<u>1,749,487</u>
Net Position		
Net Investment in Capital Assets	776,833	264,657
Unrestricted	3,250,878	2,905,266
Total Net Position	<u>\$ 4,027,711</u>	<u>\$ 3,169,923</u>

MACDOWELL PREPARATORY ACADEMY

Management's Discussion and Analysis (MD&A) (Continued)
June 30, 2024

ACADEMY-WIDE FINANCIAL ANALYSIS (Continued)

Governmental Activities

The results of the operations for the Academy as a whole are reported in the statement of activities on page 2. The table below provides a condensed presentation of the Academy's revenues and expenses for the years ended June 30, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Revenue		
General Revenues	\$ 3,586,661	\$ 3,450,469
Program Revenues	1,966,785	1,852,938
Total Revenues	<u>5,553,446</u>	<u>5,303,407</u>
Functions/Program Expenses		
Instruction	2,394,240	2,180,360
Instruction Support Services	2,301,418	2,416,464
Food Services	-	4,153
Total Expenses	<u>4,695,658</u>	<u>4,600,977</u>
Change in Net Position	857,788	702,430
Net Position - Beginning of Year	<u>3,169,923</u>	<u>2,467,493</u>
Net Position - End of the Year	<u>\$ 4,027,711</u>	<u>\$ 3,169,923</u>

GOVERNMENTAL FUND EXPENDITURES

In the table below, we have presented the cost of the largest functions/programs as a percentage of total governmental expenditures:

<u>Functions/Programs</u>	<u>2024</u>		<u>2023</u>	
	<u>Expenditure</u>	<u>Percent</u>	<u>Expenditure</u>	<u>Percent</u>
Governmental Expenditures				
Instructional Expenditures	\$ 2,394,240	45%	\$ 2,180,360	47%
Support Services	2,883,779	55%	2,416,464	53%
Food Services	-	0%	4,153	<1%
Total Governmental Expenditures	<u>\$ 5,278,019</u>	<u>100%</u>	<u>\$ 4,600,977</u>	<u>100%</u>

Comments on Budget Comparisons

- General fund budgeted revenue compared to actual revenue varied from line item to line item with the ending actual revenues being \$73,670 more than budget or approximately 1%.
- The total budgeted expenses compared to actual expenses varied from line item to line item with the ending actual expenses being \$11,919 more than the final budget or approximately 0.2%.

MACDOWELL PREPARATORY ACADEMY

Management's Discussion and Analysis (MD&A) (Continued)

June 30, 2024

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

At June 30, 2024, the Academy had capital assets, including leased right to use assets of \$1,644,695, net of accumulated depreciation, compared to \$1,174,284 at June 30, 2023.

Debt

At June 30, 2024, the Academy had \$816,670 in long-term debt. The debt was taken in order to purchase the building the Academy is housed in. The loan was renewed and is scheduled to be paid through 2026. The Academy also has operating lease obligations of \$51,192.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

The financial report is only one measure of our school district's viability. Our goal is to focus on student achievement and to close the equity gap by providing appropriate 21st century educational services to students. Consideration should also be given to key components of our vision and mission that highlight non-financial factors:

- A. MPA scholars were assessed using both formative and summative tests. These tests were administered regularly throughout the entire school year using online, research-based tools, such as NWEA/Measuring Academic Progress and iReady. As a result of this, MPA scholars have continued to show growth and academic progress placing them in the national norms range. This baseline data is an improvement from the previous 2023 Fall data.
- B. MPA offers full day kindergarten programs.
- C. MPA provided Free Breakfast and Lunch to all scholars and an evening snack to those scholars participating in our After-School Programs.
- D. MPA brought our Special Education (SpEd) services in house to provide Special Education Services in accordance with student's Individual Education Plans (IEP) including resource room, speech, occupational therapy, psychologist, social worker and more.
- E. MPA implemented a robust attendance policy that includes utilizing our Scholar Engagement Specialists to assist with the overall well-being of the scholar and address any barriers that attributed to their chronic absenteeism and tardies, as well as academics. As a result, MPA has seen a 33% increase in scholar attendance resulting in an average attendance rate of 93% daily. This is an increase from 77% daily average.
- F. MPA provides additional after school enrichment opportunities through its Community Partners including choir, band, debate team, chess, boys & girls basketball, soccer, and more. Some of our community partners include Raquet Up, The Rhonda Walker Foundation, Detroit Parent Network, Detroit Food Warriors, Mt. Sinai Baptist Church, Project Healthy Communities, and more.

MACDOWELL PREPARATORY ACADEMY

Management's Discussion and Analysis (MD&A) (Continued)
June 30, 2024

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET (Continued)

- G. MPA provides numerous professional development opportunities for staff including:
- National Charter School Conference, June 2024, Boston, MA
 - PowerSchool University, February 2024, Orlando, FL
 - State of Black Learning Conference, August 2024, Pittsburgh, PA
 - Houghton Mifflin
 - Imagine Learning
 - Monthly professional development for staff including social and emotional learning, curriculum, conscious discipline, team building, and more.

The Academy considers many factors when setting the Academy's 2024-2025 fiscal year budgets. One of the most important factors affecting the budget is our student count. The State foundation revenue is determined by multiplying the blended student count by the foundation allowance per pupil. The blended count for the 2023-24 fiscal year is 90 percent of the current school year October count and 10 percent of the prior February count. The all-inclusive budget was adopted in June 2024 based on an enrollment estimate of 350 students in the Fall of 2024-25.

Under State law, the Academy cannot assess property taxes for additional revenue for general operations. As a result, the Academy is heavily dependent on the State's ability to fund school operations.

Once the final student count and related pupil funding are validated, State law requires the Academy to amend the budget if actual Academy resources are not sufficient to fund original appropriations. Since the Academy's revenue is heavily dependent on State funding and the health of the State's School Aid Fund, the actual revenue received depends on the State's ability to collect revenue to fund its appropriations to public schools and public school academies. The State periodically holds a revenue estimating conference to estimate revenues.

Since the Academy's revenue is heavily dependent on State funding and the health of the State's School Aid Fund, the actual revenue received depends on the State's ability to collect revenues to fund its revenues. Based on the results of the most recent conference, the State estimates funds will be sufficient to fund the appropriation.

REQUESTS FOR INFORMATION

MACDOWELL PREPARATORY ACADEMY

Reconciliation of the Governmental Funds Statement of Revenues, Expenditures and Changes in Fund Balance to the Statement of Activities Year Ended June 30, 2024

Net Change in Fund Balances - Total Governmental Funds \$ 345,612

Amounts reported for governmental activities in the statement of activities are different because:

Governmental funds report capital outlays as expenditures. In the statement of activities, these costs are allocated over their estimated useful lives as depreciation:

Depreciation expense	(105,588)	
Amortization expense	(18,993)	
Capitalized capital outlay expense	<u>594,992</u>	470,411

Other financing sources related to new lease reported at fund level, not on statement of activities (70,185)

Repayment of loan principal is an expenditure governmental funds, but not in the statement of activities (where it reduces the long-term debt). 92,957

Payments on lease liability 18,993

Change in Net Position - Governmental Activities \$ 857,788

The accompanying notes are an integral part of these financial statements

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of MacDowell Preparatory Academy (the Academy), conform to generally accepted accounting principles as applicable to schools. The following is a summary of the significant policies:

Reporting Entity

MacDowell Preparatory Academy is a charter school academy organized under the Michigan School Code of 1976, as amended by Act No. 362 of the Public Acts of 1993 and Act No. 416 of the Public Acts of 1994.

On July 31, 2012 the Academy entered into a contract with the Detroit Public Schools Community District (DPSCD) to Charter a Public School Academy. The Academy's contract with DPSCD goes through June 30, 2027. The DPSCD Board of Trustees is the fiscal agent for the Academy and is responsible for overseeing the Academy's compliance with the contract and all applicable laws and other related activities for which compensation is permissible. By agreement between DPSCD and the Academy, the Academy pays the DPSCD Board of Trustees 3 percent of the Academy's State School Aid payments as an administrative fee. The total administrative fee paid for the year ended June 30, 2024 to DPSCD was approximately \$113,000.

Measurement Focus, Basis of Accounting, and Financial Statement Presentation

Academy-Wide and Fund Financial Statements

The academy-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the activities of the Academy. Governmental activities, which normally are supported by intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support. All of the Academy's activities are considered governmental activities.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segments are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function. Program revenue includes (1) charges to customers or applicants who purchase, use, or directly benefit from goods, services or privileges provided by a given function and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function. Intergovernmental payments, and other items not properly included among program revenues are reported instead as general revenue.

Academy-Wide Financial Statements – The academy-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenue is recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing to related cash flows. Grants, categorical aid, and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)**

Fund Financial Statements – Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenue is recognized as soon as it is both measurable and available. Revenue is considered to be available if it is collected within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Academy considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting.

When an expense is incurred for purposes for which both restricted and unrestricted net assets or fund balance are available, the Academy's policy is to first apply restricted resources. When an expense is incurred for purposes which amounts in any of the unrestricted fund balance classifications could be used, it is the Academy's policy to spend funds in this order: committed, assigned, and unassigned.

Unrestricted State Aid and Intergovernmental Grants, associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenue of the current fiscal period. All other revenue items are considered to be available only when cash is received by the Academy.

General Fund - The Academy's major fund is the General Fund. This fund is used to account for all operational activities of the Academy. The General Fund includes the current operating expenditures of the Academy. Revenues are derived primarily from the State of Michigan.

Assets, Liabilities and Net Position or Equity

Cash and Cash Equivalents – Cash and cash equivalents include cash on hand, demand deposits, and short-term investments with a maturity of three months or less when acquired.

Receivables – Receivables are shown net of an allowance for uncollectible amounts. The Academy considers all receivables to be fully collectible. Accordingly, no allowance for uncollectible amounts has been recorded.

Inventories – Inventories are valued at cost, on a first-in, first-out basis. Inventories are recorded as expenditures when consumed rather than when purchased.

Prepaid Costs – Certain payments to vendors reflect costs applicable to future fiscal years and are recorded as prepaid costs in both government-wide and fund financial statements.

MACDOWELL PREPARATORY ACADEMY

Notes to Financial Statements (Continued)
June 30, 2024

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Net Position or Equity (Continued)

Capital Assets – Capital assets, which include building improvements, furniture and equipment, and computer hardware, are reported in the applicable governmental column in the academy-wide financial statements. Capital assets are defined by the Academy as assets with an initial individual cost of more than \$500 and a useful life greater than one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation. Cost of normal repair and maintenance that do not add to the value or materially extend asset life are not capitalized. The Academy does not have infrastructure-type assets.

All the Academy's assets are depreciated using the straight-line method over the following useful lives:

Building	25 years
Building Improvements	5 years
Furniture and Other Equipment	5 to 10 years

Deferred Outflows of Resources – In addition to assets, the financial statements will sometimes report a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net position that applies to a future period(s) and will not be recognized as an outflow of resources (expense/expenditure) until then. The Academy has no deferred outflows of resources at June 30, 2024.

Deferred Inflows of Resources – In addition to liabilities, the balance sheet will sometimes report a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The governmental funds report unavailable revenues, which arises only under a modified accrual basis of accounting, from grants receivable. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available. The Academy had no deferred inflows of resources at June 30, 2024.

Unearned Revenue – Unearned Revenue is reported in connection with funds that have been received for services which have not been performed, and is therefore not yet earned. At June 30, 2024, the Academy had \$1,926 in unearned revenue.

MACDOWELL PREPARATORY ACADEMY

Notes to Financial Statements (Continued)

June 30, 2024

1) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Net Position or Equity (Continued)

Compensated Absences (Vacation) – A Liability for compensated absences would be reported in the government-wide statements and consist of earned but unused accumulated vacation benefits. A liability for these amounts would be reported in governmental funds as it comes due for payment. The Academy had no liability for compensated absences at June 30, 2024.

Fund Balance – GASB 54 provides for two major types of fund balances, which are non-spendable and spendable. Non-spendable fund balances are balances that cannot be spent because they are not expected to be converted to cash or they are legally or contractually required to remain intact. This category typically includes prepaid items and inventories.

In addition to non-spendable fund balance, GASB 54 has provided a hierarchy of spendable fund balances, based on a hierarchy of spending constraints.

- a. *Restricted fund balance* – amounts constrained to specific purposes by their providers (such as grantors, bondholders, and higher levels of government), through constitutional provisions, or by enabling legislation.
- b. *Committed fund balance* – amounts constrained to specific purposes by the Board; to be reported as committed, amounts cannot be used for any other purpose unless the Board takes action to remove or change the constraint.
- c. *Assigned fund balance* – amounts the Board intends to use for a specific purpose; intent can be expressed by the Board or by an official or committee to which the Board delegates the authority.
- d. *Unassigned fund balance* – amounts that are available for any purpose; these amounts are reported only in the general fund.

Net Position – Net position of the Academy is classified in three components. Net Investment in capital assets consists of capital assets net of accumulated depreciation and is reduced by the current balances of any outstanding borrowings used to finance the purchase of those assets. Restricted net position is further classified as expendable and nonexpendable. The Academy did not have any non-expendable restricted net position during the year. Unrestricted net position is the remaining net position that does not meet the definition of invested in capital or restricted.

Use of Estimates – The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statement, and the reported revenues and expenses during the reporting period. Actual results may differ from those estimates.

MACDOWELL PREPARATORY ACADEMY

Notes to Financial Statements (Continued)
June 30, 2024

2) STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY

Budgetary Information – Annual budgets are adopted on a basis consistent with generally accepted accounting principles and State law for the General Fund. Capital outlay expenditures are budgeted within the various functions. All annual appropriations lapse at fiscal year ended.

The budget document presents information by fund, function, and object. The legal level of budgetary control adopted by the governing body (i.e., the level at which expenditures may not legally exceed appropriations) is the object level. State law requires the Academy to have its budget in place by July 1. Expenditures in excess of amounts budgeted are a violation of Michigan law. State law permits schools to amend their budgets during the year. During the year, the budget was amended in a legally permissible manner.

The following expenditures exceeded the final amended budget:

	<u>Final Budget</u>	<u>Actual</u>	<u>Variance</u>
Expenditures			
<u>Supporting Services:</u>			
Pupil Support Services	\$ 357,021	\$ 434,385	\$ 77,364
Operation and Maintenance	516,940	578,651	61,711
Pupil Transportation Services	112,000	119,915	7,915
Other Support Service	-	1,841	1,841

In total, actual expenditures were \$11,919 more than the final amended budget.

Grants – Amounts received or receivable from grantor agencies are subject to audit and adjustment by the grantor agencies, principally the federal and state governments. Any disallowed claims, including amounts already collected, would become a liability of the General Fund. In the Academy's opinion, no disallowed claims are expected and would not have a material effect on the financial statements as of and for the year ended June 30, 2024.

3) DEPOSITS AND INVESTMENTS

State statutes authorize the Academy to make deposits in the accounts of federally insured banks, credit unions, and savings and loan associations that have offices in Michigan. The Academy is allowed to invest in U.S. Treasury or agency obligations, U.S. government repurchase agreements, bankers' acceptances, commercial paper rated prime at the time of purchase that matures not more than 270 days after the date of purchase, mutual funds, and investment pools that are composed of authorized investment vehicles. The Academy's deposits are in accordance with the statutory authority. As of June 30, 2024 the Academy does not have any investments.

The Academy has designated two banks for the deposit of its funds.

3) DEPOSITS AND INVESTMENTS (Continued)

The Academy's cash and investments are subject to several types of risk, which are examined in more detail below:

Custodial Credit Risk of Bank Deposits

Custodial credit risk is the risk that in the event of bank failure, the Academy's deposits may not be returned to it. At the year end, the Academy had a deposit balance of \$2,358,478, out of which \$1,928,100 was not covered by federal depository insurance.

The Academy evaluates each financial institution it deposits funds with and assesses the level of risk of each institution; only those institutions with an acceptable estimated risk level are used as depositories.

Interest Rate Risk

Interest rate risk is the risk that value of investments will decrease as a result of a rise in interest rates. The Academy does not have investments with interest rate risk.

Credit Risk

State law limits investments in commercial paper to the top two ratings issued by nationally recognized statistical rating organizations. The Academy held no such investment at June 30, 2024.

Foreign Currency Risk

Foreign currency risk is the risk that an investment denominated in the currency of a foreign country could reduce its U.S. dollar value, as a result of changes in foreign currency exchange rates. State law and Academy's policy prohibit investment in foreign currency.

4) DUE FROM OTHER GOVERNMENTAL UNITS

Receivables from other governmental units as of year-end for the Academy include \$768,464 from the State of Michigan, and \$699,970 from Federal grants, and \$7,594 from other local sources.

MACDOWELL PREPARATORY ACADEMY

Notes to Financial Statements (Continued)
June 30, 2024

5) CAPITAL ASSETS

Capital assets activity of the Academy's governmental activities was as follows:

	<u>Balance</u> <u>July 1, 2023</u>	<u>Additions</u>	<u>Balance</u> <u>June 30, 2024</u>
Capital Assets Being Depreciated:			
Building	\$ 1,079,862	\$ -	\$ 1,079,862
Buildings & Improvements	150,268	321,050	471,318
IT Equipment	334,816	203,757	538,573
Furniture and Equipment	37,202	-	37,202
Leased Right to Use Asset	-	70,185	70,185
Subtotal	<u>1,602,148</u>	<u>594,992</u>	<u>2,197,140</u>
Accumulated Depreciation:			
Building	43,195	43,194	86,389
Buildings & Improvements	61,379	20,976	82,355
IT Equipment	286,974	41,375	328,349
Furniture and Equipment	36,316	43	36,359
Leased Right to Use Asset	-	18,993	18,993
Subtotal	<u>427,864</u>	<u>124,581</u>	<u>552,445</u>
Net Governmental Capital Assets	<u>\$ 1,174,284</u>	<u>\$ 470,411</u>	<u>\$ 1,644,695</u>

Total depreciation and amortization expense was \$124,581 for the year ended June 30, 2024. Depreciation is unallocated in the Statement of Activities.

6) MANAGEMENT COMPANY AGREEMENT

Effective July 1, 2022, the Academy became a self-managed school where the school leader manages the operations of the school.

7) LONG-TERM DEBT

During the year 2023, the Academy signed a loan agreement with Credit Union One. According to the agreement, the Academy received \$1,000,000 to purchase the school building that it has been leasing in the past. The loan has an initial interest rate of 2.25%. The loan's original maturity was June, 2024, but was renewed through the current maturity date of June, 2026. The monthly installments will be in 25 regular payments of \$9,593 each and one final lump sum payment due in June, 2026.

Principal maturities of the long-term liability are as follows:

<u>Year</u>	<u>Amount</u>
2025	\$ 97,745
2026	718,925
	<u>\$ 816,670</u>

MACDOWELL PREPARATORY ACADEMY

Notes to Financial Statements (Continued)
June 30, 2024

8) LEASE OBLIGATION

The Academy recorded a vehicle lease as a right to use leased asset. It is amortized on a straight-line basis over the terms of the related lease.

Right to use asset activity for the Academy for the year ended June 30, 2024 is included in the capital assets schedule at Note 5.

In November 2023, the Academy signed an operating lease for a vehicle with Hoekstra Leasing for a term of two years, with monthly payments of \$2,336.

This lease agreement qualifies as other than short-term lease under GASB 87 and, therefore, has been recorded at the present value of the future minimum lease payments as of the date of its inception. There are no variable payment components in the lease. The liability for the lease is measured at a discount rate of 4.88%.

The future minimum lease obligation and the net present value of the minimum lease payments as of June 30, 2024, were as follows:

<u>Fiscal Year</u>	<u>Principal Amount</u>	<u>Interest Amount</u>	<u>Total</u>
2025	\$ 26,112	\$ 1,919	\$ 28,031
2026	25,080	616	25,696
Total	\$ 51,192	\$ 2,535	\$ 53,727

Lease liability activity for the year ending June 30, 2024 is as follows:

<u>Balance 6/30/23</u>	<u>Increase</u>	<u>Decrease</u>	<u>Balance 6/30/24</u>	<u>Current Portion</u>
\$ -	\$ 70,185	\$ 18,993	\$51,192	\$26,112

9) DEFINED BENEFIT PENSION PLAN AND POSTEMPLOYMENT BENEFITS

Plan Description – The Academy currently does not participate in the Michigan Public School Employees' Retirement System (MPERS), a statewide, cost-sharing, multiple-employer defined benefit public employee retirement system governed by the State of Michigan.

Post-employment Benefits – Currently, the Academy does not offer any post-employment benefits.

10) SUBSEQUENT EVENTS

The Academy has evaluated all subsequent events through October 30, 2024, the date the financial statements were available to be issued. No items were noted requiring disclosure in this report.

REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
MacDowell Preparatory Academy
Detroit, Michigan

We have audited the financial statements of the governmental activities and major fund of MacDowell Preparatory Academy (the Academy) as of and for the year ended June 30, 2024, and the related notes to the basic financial statements, which collectively comprise the Academy's basic financial statements. We issued our report thereon dated October 30, 2024 which contained unmodified opinions on the basic financial statements. Our audit was conducted for the purpose of forming opinions on the basic financial statements that collectively comprise the basic financial statements. We have not performed any procedures with respect to the audited basic financial statements subsequent to October 30, 2024.

The accompanying schedule of expenditures of federal awards and reconciliation of the basic financial statements federal revenue with the schedule of federal awards are presented for purposes of additional analysis as required by the Uniform Guidance and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and reconciliation of the basic financial statements federal revenue with the schedule of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Education of
MacDowell Preparatory Academy
Detroit, Michigan

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the governmental activities, major fund and remaining fund information of MacDowell Preparatory Academy (the Academy) as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the Academy's basic financial statements and have issued our report thereon dated October 30, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Academy's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Academy's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be significant deficiencies or material weaknesses. However, significant deficiencies or material weaknesses may exist that have not been identified.

**Independent Auditor's Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an
Audit of Financial Statements Performed in Accordance
With Government Auditing Standards
(Continued)**

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Academy's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matters that is required to be reported under *Government Auditing Standards* and is described in the accompanying schedule of findings and questioned costs as item 2024-001.

Academy's Response to Finding

Government Auditing Standards requires the auditor to perform limited procedures on the Academy's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The Academy's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Academy's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Academy's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Education of
MacDowell Preparatory Academy
Detroit, Michigan

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited MacDowell Preparatory Academy's, (the Academy) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Academy's major federal programs for the year ended June 30, 2024. The Academy's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Academy complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Academy and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Academy's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Academy's federal programs.

**Independent Auditor's Report on Compliance
for Each Major Program and on Internal Control
over Compliance Required by the Uniform Guidance
(Continued)**

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Academy's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Academy's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Academy's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Academy's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

**Independent Auditor's Report on Compliance
for Each Major Program and on Internal Control
over Compliance Required by the Uniform Guidance
(Continued)**

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

See notes to Schedule of Expenditures of Federal Awards.

MACDOWELL PREPARATORY ACADEMY

Notes to Schedule of Expenditures of Federal Awards Year Ended June 30, 2024

1) BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of MacDowell Preparatory Academy (the Academy). The information in this schedule is presented in accordance with the requirements of the Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the Academy and therefore it is not intended to and does not present the financial position or changes in net position of the Academy for year ended June 30, 2024. Expenditures reported on the schedule are reported on the accrual basis of accounting. In addition, expenditures reported on the schedule are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowed or are limited as to reimbursement. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

2) GRANT AUDITOR REPORT

Management has utilized the Grant Auditor Report in preparing the Schedule of Expenditures of Federal Awards. Unreconciled differences, if any, have been disclosed to the auditor.

3) INDIRECT COST RATE

The Academy has elected not to use 10 percent de minimis indirect cost rate allowed rate allowed under the Uniform Guidance.

4) SUBSEQUENT EVENTS

All subsequent events related to the major programs were evaluated through October 30, 2024, the date the accompanying reports were available to be issued. No significant event was noted that required adjustment or disclosure in the report.

MACDOWELL PREPARATORY ACADEMY

Schedule of Findings and Questioned Cost
Year Ended June 30, 2024

Schedule of Findings and Questioned Cost (Continued) Year Ended June 30, 2024

SECTION II – FINANCIAL STATEMENT AUDIT FINDINGS

Reference Number	Findings
---------------------	----------

2024-001 **Finding Type** – Noncompliance with Laws and Regulations

Condition and Description – For the year ended June 30, 2024, the Academy’s expenses exceeded the final budgeted level for the categories shown in the following table. Additionally, total expenditures exceeded the final budgeted level by \$11,919. Expenditures in excess of budgeted amounts are a violation of State law.

	Original Budget	Final Budget	Actual	Variance
Expenditures				
<u>Supporting Services:</u>				
Pupil Support Services	\$ 587,557	\$ 357,021	\$ 434,385	\$ 77,364
Operation and Maintenance	474,557	516,940	578,651	61,711
Pupil Transportation Services	106,200	112,000	119,915	7,915
Other Support Service	-	-	1,841	1,841

Identification of a Repeat Finding – This is a repeat finding from the immediate previous audit. See finding 2023-001.

Recommendation – We recommend the Academy monitor variances between actual and budgeted figures for expenditures

View of Responsible Officials and Corrective Action Plan – The Academy will monitor variances between actual and budgeted figures for expenditures throughout the course of the year. The Business Office Manager will be responsible for ensuring amendments are made on a consistent basis. The implementation will be completed before November 30, 2024.

SECTION III – FEDERAL PROGRAM AUDIT FINDINGS

No Federal Program Audit Findings noted.
